- |                  |                                                                                                                                                                                                                                                                                   |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>B44F 1/00</b> | <b>Designs or pictures characterised by special or unusual light effects</b>                                                                                                                                                                                                      |
| B44F 1/02        | . produced by reflected light, e.g. matt surfaces, lustrous surfaces                                                                                                                                                                                                              |
| B44F 1/04        | . . after passage through surface layers, e.g. pictures with mirrors on the back                                                                                                                                                                                                  |
| B44F 1/045       | . . . { having mirrors or metallic or reflective layers at the back side }                                                                                                                                                                                                        |
| B44F 1/06        | . produced by transmitted light, e.g. transparencies, imitations of glass paintings                                                                                                                                                                                               |
| B44F 1/063       | . . { Imitation of leaded light }                                                                                                                                                                                                                                                 |
| B44F 1/066       | . . { comprising at least two transparent elements, e.g. sheets, layers ( layered products of glass and synthetic resin containing decorations or patterns <a href="#">B32B 17/10247</a> ; window units comprising two or more parallel glass panes <a href="#">E06B 3/66</a> ) } |
| B44F 1/08        | . characterised by colour effects                                                                                                                                                                                                                                                 |
| B44F 1/10        | . . Changing, amusing, or secret pictures                                                                                                                                                                                                                                         |
| B44F 1/14        | . . Iridescent effects                                                                                                                                                                                                                                                            |
| <b>B44F 3/00</b> | <b>Designs characterised by outlines</b>                                                                                                                                                                                                                                          |
| <b>B44F 5/00</b> | <b>Designs characterised by irregular areas, e.g. mottled patterns ( imitating natural patterns or artistic work <a href="#">B44F 9/00</a> , <a href="#">B44F 11/00</a> )</b>                                                                                                     |
| <b>B44F 7/00</b> | <b>Designs imitating three-dimensional effects</b>                                                                                                                                                                                                                                |
| <b>B44F 9/00</b> | <b>Designs imitating natural patterns</b>                                                                                                                                                                                                                                         |
| B44F 9/02        | . wood grain effects                                                                                                                                                                                                                                                              |
| B44F 9/04        | . of stone surfaces, e.g. marble                                                                                                                                                                                                                                                  |
| B44F 9/06        | . of horn, ivory, or meerschaum surfaces                                                                                                                                                                                                                                          |
| B44F 9/08        | . of crystalline structures, pearl effects, or mother-of-pearl effects                                                                                                                                                                                                            |

B44F 9/10 . of metallic or oxidised metallic surfaces

B44F 9/12 . of leather

**B44F 11/00 Designs imitating artistic work**

B44F 11/02 . Imitation of pictures, e.g. oil paintings

B44F 11/04 . Imitation of mosaic or tarsia-work patterns

B44F 11/06 . Imitation of ceramic patterns

**B44F 99/00 Subject matter not provided for in other groups of this subclass**
