

A45F

TRAVELLING OR CAMP EQUIPMENT: SACKS OR PACKS CARRIED ON THE BODY

Definition statement

This place covers:

- Devices for carrying articles on the body of a person, e.g. for travelling.
- Travelling articles for personal use to be carried by not more than one person.
- Backpacks.
- Harnesses.
- Holders for carrying articles on the body, garment or belt of a person.
- Travelling or camp articles such as water-bottles, mess-tins, cups, hammocks and accessories for them, hanging seats, picnic sets, sewing kits, map cases, nets affording protection against insects;
- Travelling or camp articles which may be converted into articles for other use, e.g. coats or capes convertible into tent coverings
- Sacks or packs carried on the body by means of one strap passing over the shoulder or by means of two straps passing over the two shoulders including sacks or packs specially adapted for military purposes;
- Sacks and packs specially adapted for children, e.g. for schoolchildren;
- Carrying-frames and frames combined with sacks; carrying-straps, e.g. with adjustable fastenings of straps or belts; shoulder-pads;
- Sacks or packs carried on the body and convertible into other articles e.g. into tents, beds or mattresses, hammocks, litters or sleeping-bags, boats, sledges, coats or capes
- Holders or carriers for hand articles and holders or carriers for use while travelling or camping, such as fastening articles to the garment, handles, book-carriers; holders for spades, hatchets or the like

Relationships with other classification places

Travelling or camp equipment is normally classified in the classes for the equipment concerned, e.g. in subclasses [A47B](#) (for example, travelling or trunk tables [A47B 3/10](#); tables specially adapted for use in the open air [A47B 37/04](#)), [A47C](#) (for example, travelling or camp beds [A47C 17/64](#); suspended beds [A47C 17/84](#), foldable, collapsible or dismountable chairs [A47C 4/00](#), camp, travelling, or sports stools [A47C 9/10](#)), [A47G](#) (for example, travelling rugs [A47G 9/06](#); sleeping bags [A47G 9/08](#)), [A47J](#) (for example, camp cooking devices [A47J 33/00](#), [A47J 36/26](#)).

Glossary of terms

In this place, the following terms or expressions are used with the meaning indicated:

holder or carrier	a human body-supported device for holding or carrying hand articles to facilitate transport and/or hands-free carrying of the hand article, where the hand article is not in use or being passively used while supported by the wearer. For example, an armband, a shoulder-strap or a belt clip, each including means for retaining a hand article. The holder or carrier is not part of the hand article itself, e.g. it is distinct from the housing of an electronic device. Holders or carriers do not include sacks or packs.
